

JURIA COLLEGE

ENERGY USAGE POLICY

Energy conservation is a key component of Sustainability programme of Juria College. The Energy usage Policy of college is to manage energy in such a systematic way to minimize its impact on the environment. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage. Listed below are several guidelines that are intended to manage and reduce energy consumption on all college campus. These guidelines should be followed by all faculty, staff, administration, and students.

Policies and guidelines:

- Turn off lights when leaving a room.
- Turn off computer at the end of the day.
- Use the fans only when they are needed.
- Keep copiers, printers, & fax machines on standby when not in use.
- Avoid the use of decorative lighting.
- Adhere to temperature set points.
- Keep windows closed when air system is on.
- Keep building doors closed when air system is on.
- Purchase energy star compliant equipment whenever possible.
- Incorporate renewable energy into projects whenever possible.
- Schedulers of classes, meetings, and other campus activities endeavor to minimize energy use.
- Electric vehicles to be made available to transport people and materials across campus.

- Energy saving fixtures, lamps (LED tube lights), and bulbs (LED) are to be used to replace existing less efficient lighting whenever feasible.
- Occupancy/Motion Sensors to control lighting to be installed wherever feasible.
- Photovoltaic solar panels for the generation of alternate energy to be installed if feasible.
- To undertake tree plantation drive to keep environment cool and healthy.
- Provide information and training opportunities on energy saving measures.
- Awareness programmes to be organized.
- Annual energy audit to be done.

This policy will be communicated to the students and employees via internal communication channels and will be made available on the institutional website.
